

money
is a *value metric*

MASTER \$ MINDSET OR YOU WILL GO NO FURTHER

I am going to *simplify money*
by breaking it down to

past – present – future

YOUR PAST MONEY IS

old programming / guilt & shame

INHERITED PATTERNS

**IF YOU HAVE A PROBLEM
WITH MONEY OR VALUE**

look back

the five levels of *Money*

SURVIVAL MODE

surviving

Living month
to month with
debt, \$ Pain.

STABILIZATION

stabilizing

paying down
the debt (in
control)

MANAGEMENT

managing

start saving
emergency
fund

ACCUMULATION

accumulating

saving with
direction &
connection

My parents were in _____

I am currently in _____

**The goal is to get to the next step
NOT everyone is in debt shame.
MOST people I coach are comfortable,
passive, mildly engaged and quietly
wanting MORE. But not asking for
more. No dreams, goals or
connection.**

**BUT first I am going to do a 2 min
Suzy Soap Box on Debt**

**This rant also applies to anyone
(WOMEN) that have no knowledge of
their finances If someone else is
charge of the money and you don't
have the reigns no matter how
comfortable you currently are your
money energy might be 1-3 and you
barely keep you \$ management**

the two
energies
that *repel*
money are

GUILT & SHAME

**You AVOID it because it
does not feel good**

**The debt is
disempowered when you
confront the shame
then it's just numbers and
pay down the debt**

IF YOU'RE IN DEBT AND
STRUGGLING YOU ARE IN
AVOIDANCE!

look at it

TAKE AWAY THE **guilt & shame**
BY CONFRONTING THE **guilt & shame**

and *smash* that debt

money is not
emotional...

you are!

IT'S WHAT *money & debt* MEAN TO YOU,
what it represents.

IT'S HOW YOU'VE ASSIGNED *judgement*
OR SOMEONE ELSE'S *expectations.*

IT'S WHEN YOU'RE NOT LIVING IN YOUR *truth & value*
and you know it.

SO YOU AVOID IT AND IT'S *painful.*

so
stop avoiding
and
FIX IT

**and if you're fixing it start
focusing on how far
you've come and make
yourself feel good about
it, because worrying is
praying for what you
don't want!**

YOU CANNOT

thrive in business

WITH

guilt and shame.

**As soon as you stop
avoiding it, it will start to
go away confront the
debt.**

guilt and shame means:

I CAN'T ATTRACT. I CAN'T ASK FOR MONEY.
I CAN'T SELL. I CAN'T CLOSE. I CAN'T KEEP MONEY.
BECAUSE I'M NOT WORTH IT.

that's not **BUSINESS** energy

that's **REJECTION** energy

**mostly the shame is I can't
manage my finances. GET
HELP its actually an easy fix.**

GOT it

**NOW back to the people who
are at stabilization,
accumulation and investment
who are comfortable. Are you
living in the matrix? Do you
feel like you're on the right
path but still can't get that
connection?**

PRESENT MONEY:

All paths to *manifestation* start with

FOCUS *and* EMOTION

WHAT YOU ARE ***FOCUSED*** ON AND HOW YOU ***FEEL*** ABOUT IT?

**Finding and maintaining
your alignment, learning
to shift and control your
focus and process your
emotion. Money \$ pain
pulls your focus down fast.**

IF YOU

FOCUS on debt with a *stressful energy*

YOU WILL ATTRACT MORE DEBT

IF YOU

FOCUS on service with a *giving energy*

YOU WILL ATTRACT MORE CLIENTS

IF YOU

FOCUS on equal exchange with an *abundant energy*

YOU WILL ATTRACT BALANCE AND ABUNDANCE

in order for *more* to come to you
you have to *ask for it*
and *activate* the timeline to it.

**If you're passive because
you're unfulfilled you seek
fulfillment and that's
connection.**

to activate a *timeline*
is also like *setting a goal*
except this timeline will *change rapidly*

because the *stronger* the *focus*
and the more *engaged* the *emotion*
the *quicker* this timeline comes to *YOU!*

**Fall in love with your business, and
your goals and dreams and your day
and your team and your experience
and your service, respect and love
your clients like your business
depends on it because it does. They
will value you and respect what you
do! But only when you do!**

there are
5 ways
to make more
money
right now!

1: SELL MORE UNITS

**2: ADD MORE
PRODUCTS**

3: INCREASE PRICE

4: LOWER COSTS

5: ADD MORE VALUE

If you currently have a product that you sell here are five ways you can make more money.

When you coach businesses and you sit down and give them these five simple steps you wait for the pushback because each of these steps require you to shift your internal value.

IF YOU HAVE A PROBLEM *selling*

YOU HAVE A *value* PROBLEM

NOT A *money* PROBLEM

I will say this with the utmost truth IF YOU DON'T fix your money energy you will not succeed this is no different than learning any other skill you can learn this, change this, succeed at this. I am living breathing proof.

WHEN I LIVED IN A *survival* BUDGET MENTALITY:

I WAS STUCK IN *debt focus* & *shame emotion*

AND THIS *constant* CYCLE

OF FEELING *out of control*

SURVIVE → **THRIVE**
(NOW)

WHEN I DID MY **THRIVE** BUDGET
I SHIFTED MY MENTALITY TO

→ how do I create *THAT* timeline? ←

I SHIFTED MY MIND TO **CREATING** THAT TIMELINE

future Money
give your *money* direction

BUSINESS IS THE EQUAL EXCHANGE OF *value*

money IS THE *value* METRIC

equal exchange IS NOT *manifestation*

YOU CAN MANIFEST:
MAGICAL CONNECTIONS
AND MORE CLIENTS
AND THE NEXT STEPS ON YOUR TIMELINE

but EQUAL EXCHANGE OF VALUE IS *honor*
THE *antonym* TO HONOR IS *shame*

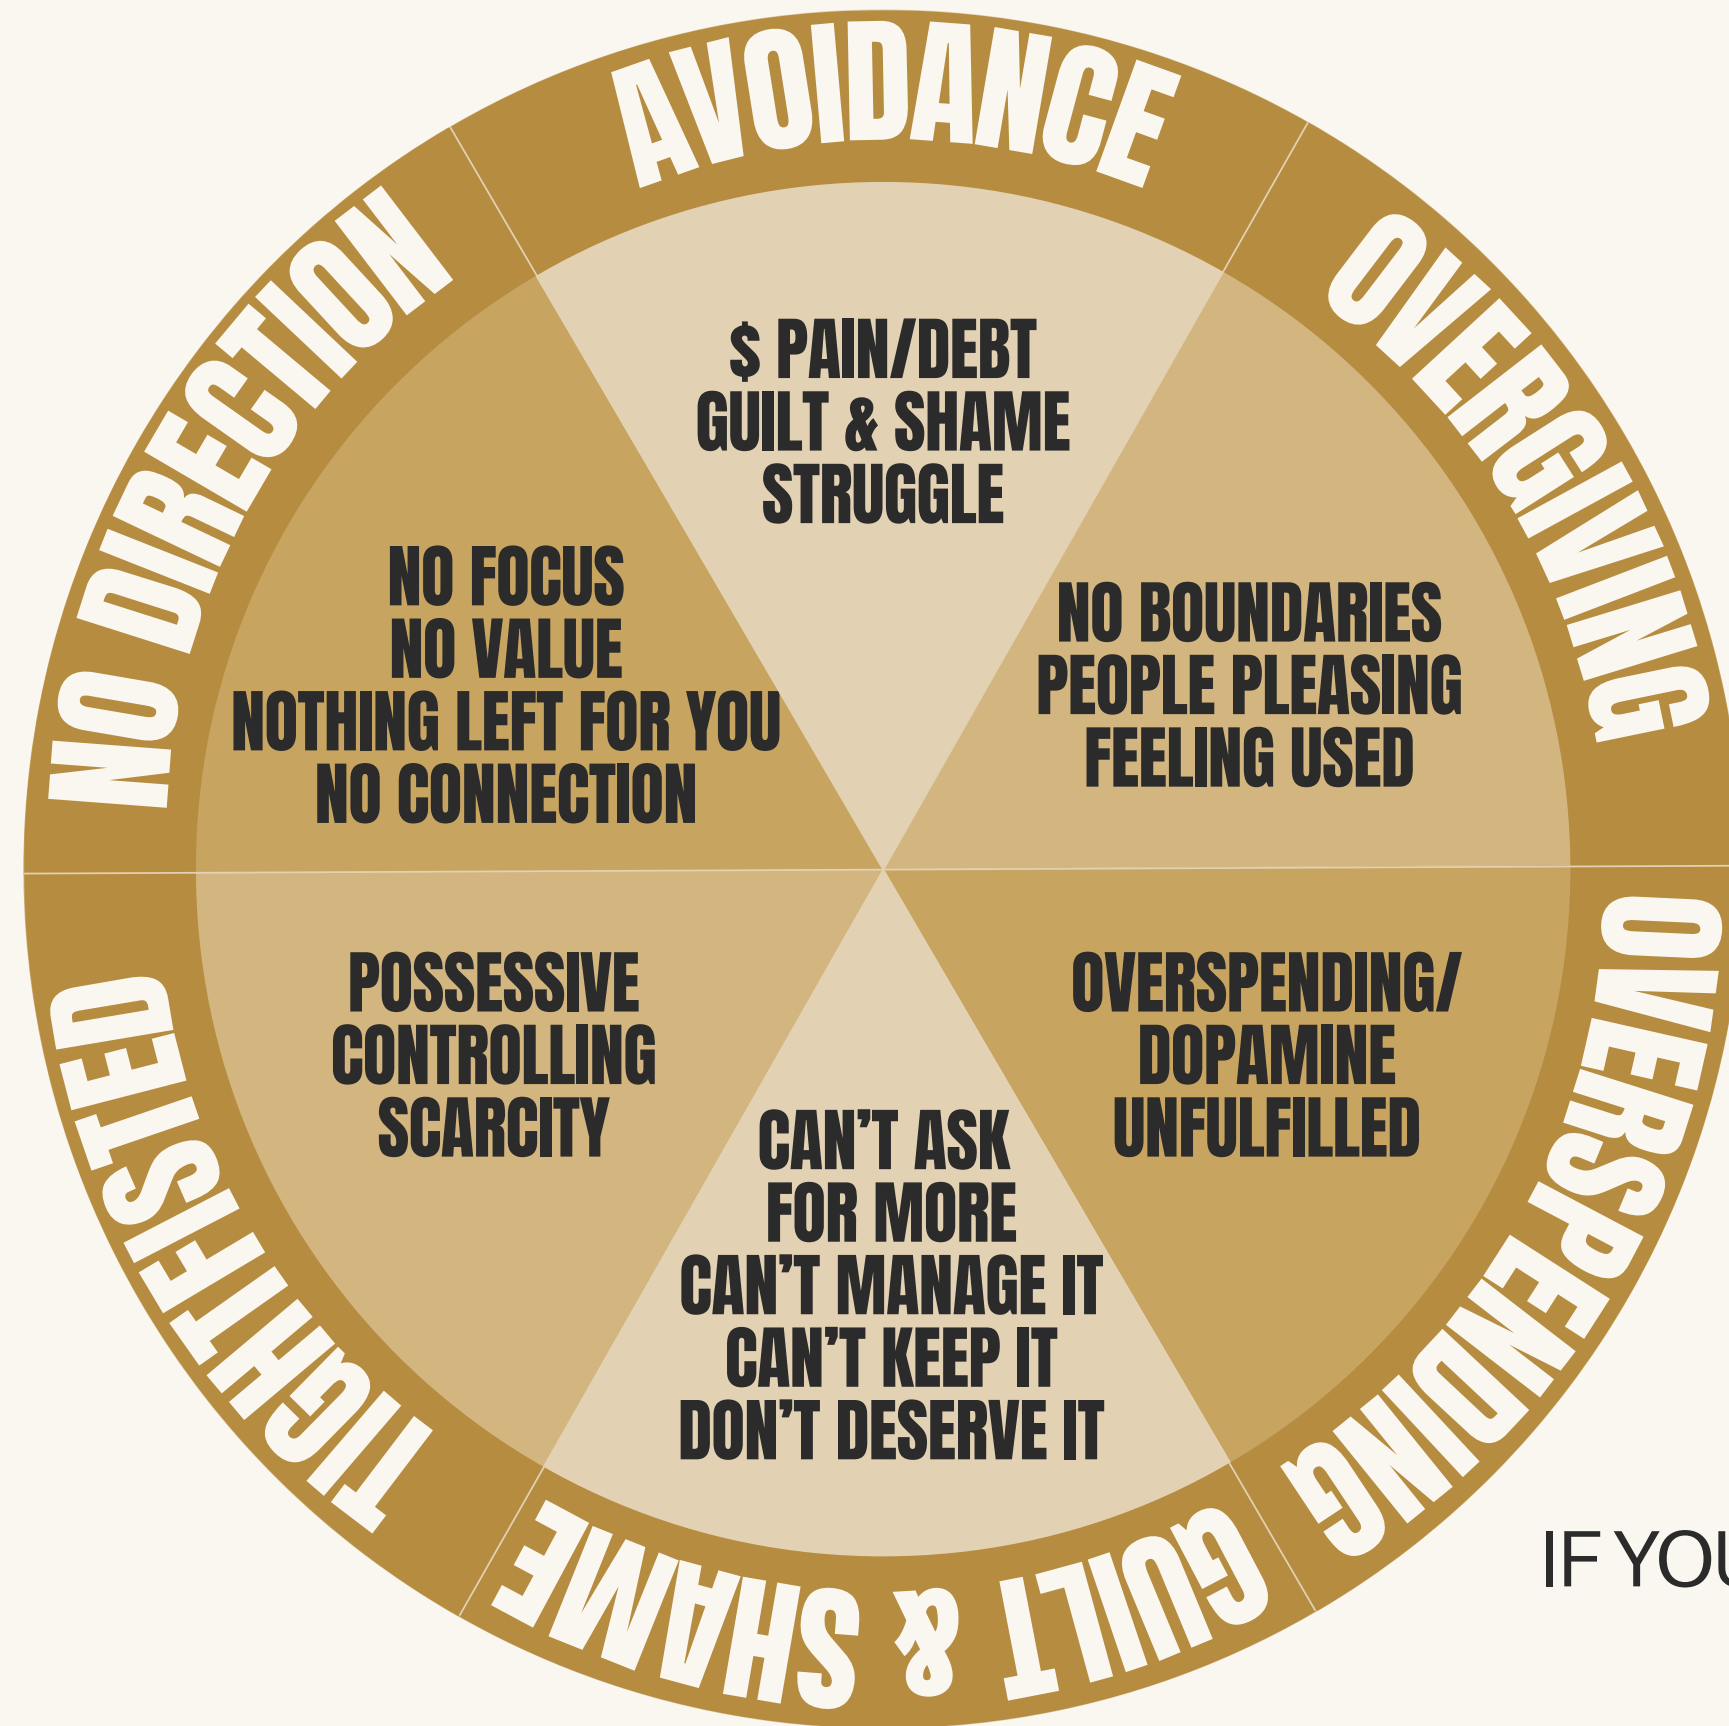

*honor yourself,
honor your work,
honor your client.*

the
LAW
of

no more and no less

wheel of MISFORTUNE

HOW YOU TREAT MONEY

IF YOU'RE GETTING MORE OF WHAT YOU DON'T WANT...
*you're focused on **that***

I want
to be
rich

BUT WHAT DOES THAT MEAN TO *you*?

BE SPECIFIC!

**When I ask people what they want
they mostly say the same things:
To be rich but what does that mean
to YOU? Be specific!**

**I WANT NO \$ Pain. No \$ stress. I want
Freedom / Choices / luxury /
adventure / Shared experiences /
Security / Generational Wealth /
Options for retirement / Quality end
of life care whatever you want**

IF YOU CAN CREATE A **TIMELINE** TO IT
it's yours.

define it
connect to it
create the timeline to it

I'M GOING TO TEACH YOU HOW TO CREATE A TIMELINE

MONEY*focus*

LOOK AT IT! FACE IT! *(TAKE THE SHAME AWAY)*

FIX IT! TAKE ACTION. BLOCK ALL MONEY LEAKS.

GIVE IT VALUE, GIVE IT DIRECTION, **EMPOWER** IT.

WHAT IS THE NEXT LEVEL FOR YOU?

FOCUS ON WHAT YOU WANT! THE **THRIVE**

READ MONEY BOOKS, HAVE MONEY CONVERSATIONS.

I WANT TO TEACH YOU ABOUT
TANGIBLE MANIFESTATION

I CALL IT **focus**
